Gertrude McFuzz, the  
Whos, and other well  
known and beloved  
characters leap out of  
the vivid imagination of  
Dr. Seuss and onto  
the stage.**

**Imagine a world where  
anything is possible -  
an elephant in a tree, a  
person too tiny to see,  
a heroic child, and  
dreams running wild!  
Seussical creates the  
witty, wild, and  
whimsical world of Dr.  
Seuss as it has never  
been seen before.**

Metropolitan Educational Theatre Network is a non-profit educational organization which provides young people with the unique opportunity to be active participants in the dramatic process as actors, singers, and dancers. Founder Alex H. Urban, renowned educator and theatre director for over 35 years, has designed a program based on building self-esteem, grace, discipline, and poise within the individual. Studies show that kids who grow up participating in the arts score higher on the SAT by an average of 51 points on verbal and 38 points on math. That is the power of creativity!
