

Snow Day BAKE SALE

We are asking you to donate some items to the Snow Day bake sale. The items can be store bought, or even better, from your kitchen! Please include a list of the ingredients with the baked goods just in case someone has allergies! You may bring the bake sale items on Saturday, February 11th when you come to play in the snow. I would like to thank everyone in advance for your generosity!

If you have any questions, please free to call the school office at 310-972-6500 x4100.
