

Principal's News

THE FINAL STRETCH!

We have eleven weeks of school left this year and while that may sound like quite a few, it will be over before we know it. Just like the year thus far, we have a lot of events coming up, so please take time to note them on your calendar.

Reminder: Tomorrow, April 15, 2010, is Spring Picture Day. A notice was sent home recently regarding this.

Friday, April 16th is Sports Day. Students are being encouraged to wear clothing that represents their favorite sports team. This is a Student Council event and more of these types of Fridays will be happening throughout the rest of this year.

Thursday, April 22, 2010 is our Open House. Student in grades 1-5 will be getting out at 2:12 p.m. Please make arrangements to have your child or children picked up promptly. Teachers and other staff members will be busy getting ready for our Open House.

We have early out every Wednesday for students in grades 1-5. Students are dismissed at 2:27 p.m. This is weekly collaboration time for teachers that benefits your child or children. Please pick up your child or children on time.

Students in grades 2-5 will be taking State assessments during the weeks of May 3-21, 2010. Specific grade level schedules will be coming soon. Please make sure you note these dates in your calendar. Like any other school day, it is important that your child or children get a good night's sleep and eat breakfast.

On Friday, May 7, 2010, our Academic Alliance will be hosting *Celebrate Walteria*. Information regarding this is included in today's packet. Extra copies will be available at our office.

LAUSD has begun accepting permit applications. You may access the information on their website at "www.lausd.net" Our Child Welfare and Attendance office started accepting interdistrict permits as of April 1, 2010. Information about LAUSD's process and timeline is available on the TUSD website as well as the letters LAUSD sent to parents, LAUSD's electronic permit application, and the process to appeal to LACOE. The link is:
