

Principal's News

THANK YOU!

Open House went well again this year. It was evident that our students take pride in their accomplishments. Our teachers and support staff have a high level of dedication to ensure each student is making progress. Our office and custodial personnel also do a lot to make sure this event goes smoothly. Additionally, our PTA and all other volunteers work hard to put together the Art Fair, Book Fair, and Bake Sale. My thanks to all of you who had a hand in this year's Open House.

Kyle Tsuneishi, a former Walteria student, completed his Eagle Scout project here over the past weekend. He and his crew cleaned, organized, and painted our custodian's room. Also, new ball carts were built and older ones repaired. Finally, new balls were donated to put in our carts. Many thanks to you and your crew, Kyle, for doing an outstanding job!

STAR testing is around the corner and it will be occurring over a period of three weeks at Walteria, May 3-21, 2010. Your child brought home a schedule specifically for his/her grade level last week. Please note the following:

- Do not enter a classroom if an orange sign is posted indicating testing is occurring.
- Do not call the classroom during testing.

Students are riding scooters on the sidewalk that leads into school or in the front during dismissal time and have run into other children. With all the students and parents in front of our school at dismissal time, the sidewalk becomes crowded. Please ask your child to walk his/her scooter for safety of all.
